TABELA DE REAJUSTE- Maio/2013 a Abril/2014

A Unimed Três Rios - Cooperativa de Trabalhos Médicos de Três Rios, Código Registro ANS nº 377498 em conformidade com o artigo 8º da Resolução Normativa nº 309, de 24 de outubro de 2012, da ANS - Agência Nacional de Saúde Suplementar, divulga o percentual calculado com base no agrupamento de contratos, o período de aplicação e os contratos que receberão o reajuste, conforme tabela.

De acordo com a Assessoria Atuarial da Federação Rio de Janeiro, que assessora a Unimed Três Rios, quem comercializa plano de saúde tem que controlar a variabilidade, utilização X receita, e avaliar suas consequências gerando oportunidade de ganho. Contratos com poucas vidas não são capazes, financeiramente, de suportar todas as coberturas médicas e hospitalares, em 12 meses. Com o estudo feito em grupo, a operadora consegue manter o equilíbrio dos contratos sem onerar uma empresa em específico e ainda diminuir o valor praticado nas taxas de reajustes. O índice vigente vale para o período entre Maio/2013 a Abril de 2014
